TRAINING CENTER

Not far from the DAC Bonbon Hotel is the MOL Football Academy, one of the best equipped and most modern training centres in Central Europe.

The facility, spreading over 17 hectares, offers personalised services to sports clubs looking to develop the skills of their teams and players in a peaceful, secluded setting.

Teams have available here lighted pitches with natural and artificial grass, special training pitches, real-time video analysis, a gym and modern changing rooms.

Our hotel guarantees exclusive services to all sports associations that wish to hold a training camp or training sessions at the MOL Football Academy in Dunajská Streda; therefore, we accept only one club at a time.

You can request a personalised offer at the e-mail address info@molacademy.sk.

LEISURE-TIME ACTIVITIES

FOOTBALL MATCHES AT MOL ARENA

The MOL Arena in Dunajská Streda is the football stadium of DAC 1904. The arena opened its doors to the public in 2016, and with a capacity of 12,700 it is one of the most modern football stadiums in Slovakia. The home matches of the yellow-blue team are a real fan experience, and fans from the entire Pannonian basin come to the matches here. Products with the DAC 1904 logo can also be purchased in the fan shop at the corner of the arena, the DAC store.

THERMALPARK

The Thermal park in Dunajská Streda is a modern and comfortable bath & wellness centre that offers a variety of services. The facility is located in a unique environment on the outskirts of the town. Pools with thermal water, fun pools, pools for kids and a swimming pool are available for all visitors. It is an excellent place for active relaxation, both physical and mental regeneration, and perfectly spent leisure time. The modern facilities, comfortable services and beautiful surroundings ensure that a visit to the Thermal park will be an unforgettable experience for everyone.

SLOVAKIA RING

The Slovakia Ring is the largest motorsport complex in Slovakia. The first car racing track in Slovakia which meets the international requirements of the International Automobile Federation is located here. In addition to professional motorsports, it offers its guests the opportunity to improve their own driving skills and to try out fast driving. The complex is also a suitable location for business events.

WELTEN GOLF CLUB

The WELTEN Golf Club is located only twenty km from Dunajská Streda and is an ideal destination for organising a golf tournament with a good atmosphere. The golf course has been providing the highest quality services since it was completed in 2007. The 18-hole championship course, rich in sand bunkers, offers even beginner golfers the opportunity to practice, even if they don't own a green card.
